

Interpret each article or point according to the question asked and respond. As you progress, make note of differences you encounter between the Treaty of Versailles and Wilson's 14 Points.

Treaty of Versailles

1. Go to Article 45. What is demanded of Germany? What impact might this have on Germany?
2. Go to Article 160. After interpreting the information, explain what the overall purpose of this article is?
3. Go to Article 231. What does this article imply regarding Germany's role in the war?
4. Article 235 states that Germany must do what?
5. Article 87 Establishes the creation of what nation?
6. What is the purpose of Article 16?

Wilson's 14 Points

1. What is point I attempting to prevent from occurring for a second time? (Think Causes of WWI)
2. Why might Wilson place an emphasis on establishing Freedom of the Seas in Point II?
3. What is Point III signaling to end? Why might the end of this lead to better diplomatic relations?
4. After interpreting Point IV, how does this differ from Article 160 in the Treaty of Versailles?
5. Article XIII purpose is to establish the independence of what nation?
